State of Ohio (http://ohio.gov) | Ohio EPA (https://epa.ohio.gov)

Environmental Protection Agency   # eBusiness Center

Ohio EPA's eBusiness Center (eBiz) is a secure portal for online business services. eBiz is the entry point for our customers to electronically complete and file reports, make payments and submit permit and grant applications. See below for a complete list of services offered.

Do not use Microsoft Internet Explorer - eBiz is supported in Google Chrome and Microsoft Edge.

To access eBiz, you must have an account in OH|ID and click on the Ohio EPA eBusiness Center tile.

IMPORTANT: To access your eBiz account data, the email addresses in OH|ID and eBiz must match.

Click here to log in.

Services Available

- ***Division of Air Pollution Control ()*** - **Air Services** through the eBusiness Center include:
  - permit applications;
  - permit-related reporting;
  - annual emissions reporting;
  - asbestos certification, licensing and training applications;
  - demolition project notifications;
  - asbestos abatement notifications; and
  - asbestos training notifications.

- ***Division of Drinking and Ground Waters ()***
  - **Electronic Drinking Water Reports (eDWR)** allows public water systems to submit their monthly operating reports and certified laboratories to report chemical and microbiological sample results.

  - **Operator Certification (OpCert):** Exam applications, renewals and contact hours. Exam and training providers can submit applications and upload grades and attendance records. The ePay system allows users to pay OpCert renewal fees and exam application fees.

  - **Minimum Staffing Reporting** allows professional operators of record to report their minimum staffing times to document compliance with staffing requirements.

- ***Division of Environmental Response and Revitalization ()*** - the **eDRUMS** web-based hazardous waste biennial reporting for large quantity generators and TSD facilities through eBusiness Center saves time and prevents common errors through built-in edit checks.

- ***Division of Materials and Waste Management ()*** - licensing and/or registration for the following types of regulated facilities:
  - composting;
  - construction and demolition debris landfill;
  - infectious waste generator or treatment facility;
  - industrial or residual solid waste landfill;
